

Become a part of Parents Club at White Hills Primary School

Come and meet some other parents from your school, keep up to date with what is happening at W.H.P.S., and find out what we are all about!

Parents Club is a fundraising group, made up of parents or relatives of students from the school who give some of their time which contributes valuable funds that currently go toward the continuing upgrade of our school grounds.

Our group is made up of dedicated helpful parents that have some time to spare every now and then. We get together and plan, decide and carry out fundraising activities within the school. We have a lot of fun, and get a lot of satisfaction out of raising funds for our school, which go toward elements like: landscaping, seating, tree planting, playground, sandpits, and the "Buddy Bench". All that we do, benefit all students at W.H.P.S.. As parents we also take personal pride in our time that we give, and know that our own children feel proud of the volunteer work that we contribute to the school.

Although W.H.P.S. is a large school, our Parents Club is very small, and we are in need of more members. This year we have our school fair in November which requires a lot of help and organisation, and we have already begun planning for this event. If you or a family member are curious about our role within the school, or would definitely like to be a part of our team, please feel free to come to one of our meetings, approach one of our friendly members, or enquire at the school office. In the past we have had male helpers, and grandparents in our group – so all are very welcome. It is also fine to bring along younger siblings to our meetings, as we are all parents, and we understand.

There are numerous activities that we do every term, and we have a break-up breaky/lunch at the end of each term. We help and organise activities and events and fundraisers like: The Welcome BBQ, Hot Cross Bun Day, Frog in a Pond, Mothers/Father's Day stalls, Family Movie Night, raffles, School Fair, School Production, colouring in competitions, Walkathon lunches, grade 6 Graduation, and the Chocolate Fundraiser. Because of the funds we raise, our school's outdoor areas have been able to evolve in a positive direction, making them fun, safe and functional, creating an excellent outdoor environment for students and their families. Our end of term breaky/lunch is a social and relaxing time for members to enjoy a yummy meal over a chat and a laugh with fellow members.

If you would like to be a part of a helpful, friendly group of parents, and have a little or a lot of time to contribute, please come along and see what we are about. We meet on the first Monday of the month, straight after assembly in the staffroom. We also post information in the school Newsletter every week about important upcoming dates and meetings.

Being a part of Parents Club is very satisfying, helps you get to know other parents in your school community, and keeps you well informed and up to date with what is happening at W.H.P.S. – which in turn helps our school grow and evolve.

To get involved you can drop your contact details into the friendly office staff and a parents club member will give you a call.

Thankyou! From your friendly parents club members.
