

IMPORTANT TRANSITION DATES FOR 2017 PREPS

Thank you for visiting our school. If you have any further questions please feel free visit our school or call us on 54 430799.

PARENT INFORMATION EVENINGS

To assist you in getting your child ready for school (regardless of which school they will attend), we have two “Getting Ready for School Nights” organised. Please mark these on your calendar if you are interested in coming to these nights.

1. Getting Ready for School Night - Maths and Social activities.

When: Tuesday, August 2nd, 6.30pm-7.30pm.

This evening, organised by the Prep teachers, will be activity orientated and will concentrate on Maths and social skills. Parents will receive a number writing chart, information and games to assist them in getting their child ready for school.

2. Getting Ready for School Night - Language

When: Tuesday, August 9th, 6.30pm-7.30pm.

This evening will include activities in reading, speaking and listening, story writing and handwriting. Parents will receive a name card, letter writing chart and games to assist them in getting their child ready for school.

Childcare will be available on both these nights.

TRANSITION SESSIONS

During Terms 3 and 4 the Prep teachers will be visiting Pre-schools and Childcare Centres to meet all children enrolled at our school in their early learning environment. This enables your child to become familiar with a teacher from our school in their pre-school environment before formal transition begins. To assist teachers in organising visits we ask that children are enrolled by the end of June. This is the date promoted by Government, Catholic and Independent schools.

1. Familiarisation Days:

These small group visits will be held in November. Further information will be sent to enrolled children well in advance to enable parents to organise their child's attendance on one of these days in the first session and one in the second session.

2. Orientation Day:

This day will be held on Tuesday morning, December 6th from 10.30am-1.30pm. On this day children enrolled at White Hills Primary School will spend time in the classrooms and playground. Parents are invited to attend an Information Session in the school hall from 12.00 noon to 1.30pm.

Further information regarding each of these sessions will be sent to Pre-schools and children enrolled at White Hills Primary School, closer to the date.
