*16th September – Last Day of Term 3*

---

This Term we are learning about Indigenous Australians, their culture and the importance of Australian animals in their life. We will also look at why some animals are endangered and who or what is a threat to them. As part of our study of Indigenous Australians and Australian animals we will be having a special day on Monday, August 1st. “The Zoo Comes to You” will bring some Australian animals to show us, we will have a special Koorie visitor and do some craft activities.

We will be focussing on being a confident and persistent worker in our You Can Do It sessions, to assist us in becoming great learners.

We will also learn lots of new skills at Jet’s Gym.

---

We continue to change our take home readers every day from 9:00 until 9:30. Currently, we have one reading mum and a delightful nanny who hears your child read each day. We welcome all parents, carers, grandparents and friends to come along and help. We would love to see you at see you for reading soon!
