Principal's News

Movie Night

On Friday evening, we held the P&F Group Open Air Cinema night. We had approximately 190 people attend the event and the weather was remarkably mild. The quality of the picture and sound were amazing and everyone seemed to enjoy the movie; I even think I saw a few tears at the end. I would like to acknowledge our P&F Group for organising this event and for all the delicious treats they provided on the night. I would also like to thank the families who supported this school activity and special mention to Scott Ross for all his support, work and assistance on the evening.

Prep Transition Booklet Error

Please note that the dates for WHPS Education Week and Transition Days in the Prep Transition booklet distributed to kindergartens and Day Care facilities is incorrect. A separate flyer has been redistributed to most kindergartens and the correct dates for these events are on the front of the school's website.

State's School Relief Bonus for Eligible Preps

Confidence to connect

State Schools' Relief works closely with all government schools across Victoria. Each year, State Schools' Relief provide assistance to families who are experiencing financial disadvantage with school clothing, shoes and other essential items. The Victorian Government has a commitment to being the Education State, aiming to break the link between disadvantage and achievement. Through government funding the Camps, Sports and Excursions Fund (CSEF) was established to provide payments for eligible students to attend camps, sports days and excursions. To find out more about CSEF or to apply for assistance go to www.education.vic.gov.au/csef
State Schools' Relief has received extra government funding so that it can help more families needing financial assistance and ensure no one is left behind. This extra funding is being used by State Schools' Relief to assist students who receive CSEF assistance.

As part of the Victorian Government's Affordable Uniform Program, **every Prep government school student who is a recipient of the Camps, Sports and Excursion Fund (CSEF) automatically qualifies for a uniform pack** including tracksuit pants, shoes (runners) and a school bomber jacket. Applications are made by the school. We have measured and checked sizes for eligible students and the orders have been placed. Families will be contacted when the items arrive. If you have any questions please do not hesitate to contact me.

Mother's Day Stall – NOTE CHANGE OF DATE

Due to many conflicting events, the Mother's Day stall will now be held on THURSDAY 11th May.

Education Week: 22nd – 26th May

The school will be conducting an Open Day and Information sessions at White Hills Primary School during Education Week. **Open Day, on Tuesday May 23rd from 9.00am – 3.30pm**, is an opportunity for parents, grandparents and friends to visit their child's class. It is also a great time for new parents to see our school in action and speak to Prep teachers about the terrific programs available at our school. **A morning Information Session will be held in the school hall on Tuesday 23rd May at 9.30-10.45am, and an evening session at 7.00pm – 8.15pm.** These information sessions are intended for 2018 Prep parents interested in learning more about White Hills Primary School.

Childcare is available at both these sessions.

The school will also be conducting a multi-age day on **Wednesday 24th May** with the theme of multiculturalism. Children in all Grades will be arranged in mixed agegroups and will rotate through various activities related to different cultures including Koori, Karen, French and Chinese.

Lunchtime Programs @ WHPS

Please see attached details about the variety of lunchtime activities our staff are offering the children at White Hills. We aim to provide a range of alternative options for students that are both fun and engaging.

Cross Country results....

Last week the Grades 2-6 students participated in the school cross-country event. Points were awarded to students based on their finishing position in each age group. Again, the effort and behaviour of all the students was exemplary. The House results were:

4 th	416pts	Bosquet
3 rd	442pts	Plumridge
2 nd	472pts	Napier
1 st	480pts	Raglan

All Grade 3-6 students at our school will participate in the Division cross-country event at the Bendigo racecourse on Friday 12th May. They will be divided into the various ability groups based on their results at the school event. Thanks to all the teachers, parents and students themselves for making the day a great success. I would also like to acknowledge our Physical Education staff Stewart Scoble and Kate Potter for their coordination and organisation, meaning the event ran smoothly and on time.

Teach Your Child To Bounce Back From Life's Uncertainties. Part 6

A selection from an article by Alison Campbell Rate

Here are some more ideas to get you started building resilience in your children.

PROBLEM SOLVING:

When we intervene too much in our children's problems we send a message "you can't handle things". Remain supportive and interested but let your child think through the situation on his own. Begin when they are pre-schoolers. If he gets stuck provide guidance but not answers.

*Encourage him to think of different possible explanations why this problem has occurred.

*Help him to explain the event optimistically and to come up with several solutions.

*Check in with him about whether the chosen plan is working or does he need to try another way.

*Don't be over critical of first attempts. Keep your eye on the process rather than the outcomes at first.

*Compliment every effort to approach problems well.

STORYTELLING:

Use stories about yourself or other family members or point out the resilient words and actions of characters in stories as you read.

SKILLS FOR LIFE:

We can't always change the situations in which children find themselves, but we can change how they think about it and how they act. You can find "teachable moments" every day that naturally demonstrate and reinforce these skills mentioned over the past six weeks to your child in real ways. Once learned, your child will be armoured against failure and rejection for life. Bad things will continue to happen but you will have taught your child how to persevere and bounce back in the face of any setback.

TURNING FITNESS INTO FUN:

*Whenever a favourite show is on, have each child plan and lead an exercise during the breaks.

*Turn on some upbeat music and dance.

Deposits For Camps

Please note that all non-refundable deposits for camps **must be paid by parents.** CSEF does not cover this cost, however it may/will cover future instalments for camp.

Term Planners

Term Planners for all year levels and specialist areas are now available on the WHPS website. These contain the details of what is to be covered by classes during the term. Please see classroom teachers and specialist teachers if you have any questions.

Free Computer Monitors

At certain times, the school updates equipment. We currently have many computer monitors available for parents to collect free of charge. If you are interested in obtaining a monitor, please come in and see the office. First in, first served.

Mothers/Special Person Day Breakfast

Mothers and special people are invited to our special breakfast on **Wednesday 10th May** from 8:00am – 8.45am. This event is scheduled to be held in the brick area near the Prep sandpit.

Chinese Immersion Program 2017

Thanks to the three families who have expressed interest in hosting a Chinese student for the 8 weeks of the program and one who has volunteered to assist for the second 4 weeks. If your family is interested in hosting a Chinese student in October please let me know.

If you would like more information or would like to speak with a family who hosted last year, please feel free to contact me.

If you are interested please complete the slip at the end of the newsletter and return it to school or reply by email to schaeche.andrew.a@edumail.vic.gov.au

Please let us know if there's anything further that we can do to support you here at WHPS

Book Fair

Our Book Fair is being held this week. Opening times in the morning are 8.30am-9.00am and in the afternoon 3.30pm – 4.00pm. Geronimo Stilton was our special guest at Monday's Assembly.

Toddlers and cameras are welcome.

Anne Morison

Coordinator

Student Banking

As previously advertised in 2016/17 Newsletters, the WHPS School Council has approved the phasing out of the Commonwealth Student Banking Program.

The last day where Commonwealth Bank Books will be accepted will be 27th June, the Tuesday in the last week of Term 2.

If there are any orders made on this last day for reward items, they will be ordered as long as you have handed in your 10 tokens. Orders can take up to 2 weeks to arrive (if I don't already have it in stock), so your items may take until early Term 3 to be delivered to you. If you have been holding on to tokens, you are most welcome to cash them in before this service is closed.

Please consider changing over to the Bendigo Bank, to support our local bank, who in turn assist and donate in our own community. "Piggy Bank" application forms are available at the school office, or your local Bendigo Bank branch (White Hills branch is just around the corner from the school on Napier Street in the White Hills shopping strip). Return to your local branch for processing, with your child's Birth Certificate and Medicare Card, along with parent's Drivers Licence for I.D. purposes. Children with existing Bendigo bank accounts are also welcome to use this service.

I do hope you will continue to use our Student Banking Program at WHPS, as it is a valuable learning experience for all students to understand the benefits of saving money at a young age.

Thank you,

Student Banking Coordinator,

Sam

Students of the Week

Andy - PE for wonderful reading and maths work

Oliver - PT for trying hard in class and being a good friend to others

Olivia - PF for being a focussed worker who always does her best

Jax - PAS for great progress with his sounds and reading

Eh Tha - PW for being very responsible and helping all the Karen children settle into class

Izzy - PM for always working hard and being very confident.

Congratulations to our 'Students of the Week'

GREASE DAY

You all remember **Sandy and Danny** right?! Well the preps are going to be having a 'Grease Day' on the 12th May for some fun, bonding and to celebrate the letter 'g'. Encourage your child to **dress up** as a character from the show **but keep it simple**. Last year we had lots of slicked back hair, scarves and knee length skirts i.e. *cool!* The children will take part in a Rock 'n Roll dance lesson and indulge in a 'greasy' fish and chip lunch. Notes will go home soon with further details.

GRANDPARENT'S MORNING

As part of Education Week the Prep grades will hold a special morning for Grandparents or older friend on **Friday, May 26th, from 9.00am to 11.00am**. Mention this date to grandparents/ friends so they can be available for this special time. Invitations for grandparents/ special friends will be sent home closer to the event.

PREP PERCEPTUAL MOTOR PROGRAM. (P.M.P.):

P.M.P. will continue this **Friday**. We look forward to seeing our great helpers at 2.30 pm **in the shed**.

CLASSROOM SAFETY

Just a reminder **you may come into the classroom when you hear the music**. It is not safe to enter earlier as a teacher might not be in the room or may be busy getting great activities ready for your child's learning and need to pop in and out. We can't leave children in rooms unsupervised.

NEED TO CHAT?

If you have something important to talk to your child's teacher about, please **make an appointment or see them after school** unless it is urgent. Trying to catch them after the morning bell has gone interrupts some of the most important teaching of the day – listening to children read individually. **We value this special time with your child and the less interruptions, the more time we get to read with them!**

LETTERS OF THE WEEK

This week the preps will be investigating the letters **n and o** and the sounds they make. Try going on a treasure hunt around the house for things beginning with n and o.

PREP TOY UNIT OF WORK:

As part of our Term 2 unit of work on Toys the Preps will be making their own toys using a different materials. **You Can Help Out!** Send in any materials you have at home that might be useful. Bring them to the classroom over the next few weeks and teachers will store them. **Useful materials might include** cardboard tubes from foil, paper towel and glad wrap, small boxes, string, straws, sticks, skewers, milk/juice cartons – well rinsed, bottle tops, ping pong balls, wool, material scraps or anything else you think might be useful! **PLEASE DON'T SEND EGG CARTONS OR TOILET PAPER ROLLS** due to allergies and health and safety requirements.

HINT FOR THE WEEK

Playing card games with just a basic set of cards can do wonders to improve memory, concentration, patterning and sequencing necessary for reading and maths development.

Grade 1 News

Students of the Week

1DW – Eliza for trying hard during language groups and always having a smile on her face.

1P - Jillian for working quietly and very hard to retell stories using detail.

1D - Jobe for working extra hard, and having a good attitude during math time.

1F - Tyson for excellent effort during math.

1B - Angus for great home reading and good improvements in spelling.

Emily Loves to Bounce – 23rd of May

Please return the blue notes for this excursion to school as soon as you can. We are really looking forward to this performance. If you have any story books by the author *Stephen Michael King* at home, we would love to borrow them to read at school.

ANZAC Day

All classes have been learning about the importance of ANZAC Day, and it was great to see many of our students so interested in history.

A **BIG** thank-you to Mr Murley, (Bowdens dad), who came to school and showed us many items from his special collection of war memorabilia. He also told us many stories about wartime and the students in 1P and 1DW had lots of questions.

Reading Helpers

We love having help to listen to children read. Please contact your child's teacher to work out the best time to help with this. Your own students really enjoy having you in their classroom as well!

Grade 2 News

Students of the Week

2F - James Campbell for a fantastic effort jogging at cross country from start to finish.

2CK - Richard Moo for his wonderful planning and writing of his narrative "The Boy who got Lost"

2B - Sienna Turner for being brave and going down the slide at the discovery centre.

2M - Abby Kay for her improvement in spelling and her efforts in writing.

Integrated Unit

Our students are now researching about Dinosaurs and the Lost World. We are enjoying this new topic with them and discovering many different changes in our world over time. Please encourage your child to do a little bit of research on a chosen dinosaur at home if they can.

Homework

Still some homework books not being returned each Monday. Please encourage your child to complete their homework and return their book on time.

Grade 6 News

Students of the Week

6G- Bree Shepherd: for always striving to complete her best work.

6V- Dalton Bawden: for working really well when subtracting numbers with zeros.

6B- Blake Burton: for a fantastic and moving Anzac story at our school service.

Homework

This week's homework is an ICT and spelling task, which will be handed out tomorrow and due on Friday 12th May. Students will have to complete the task and hand it in by 9.00am Friday. If students do not hand in their homework, they will be kept in at lunchtime to complete the task. We appreciate parents' encouraging and supporting their child with the completion and submission of homework every week.

GRIP Leadership Conference

Last Thursday, 27th April all student leaders and house captains attended the GRIP Leadership Conference at the Bendigo Stadium with Miss Van. The conference is about teaching young people how to be good leaders and how they can make a difference in their school and community. The students learnt about recognising and growing from their strengths and weaknesses. They participated in different activities, role plays and workshops that were centred around being responsible and doing the right thing. All of our leaders behaved really well and represented WHPS wonderfully.

Discovery Centre Excursion

This term, all grades have been attending an excursion to the Discovery Centre as part of a program run by LaTrobe University and their pre-service teachers. The pre-service teachers came into the school to teach a science lesson and the visit to the Discovery centre was part of their lesson. The students got to participate in a range of science activities including exploring the planetarium, creating electrical circuits and getting to take a ride down the vertical slide.

After School Care Program

Welcome

We would like to welcome our students and their families to our OSHC program. At our Before and After School Care Sessions we offer the children different activities for them to enjoy. With Mother's Day approaching; we have been encouraging the children to get involved in making craft presents for Mothers/ Special Persons Day. A big congratulations to Lucy, Olivia, Mason and Abby; who are our colouring in competition winners for Monkey Week.

Before School Care Is Open

Just a reminder that we have been running Before School Care since day One of Term One. Our BSC service runs from 7.00am until 8.35am although for our prep students we will continue to stay with them and walk them to change over with their teacher. We provide cereal or toast and milo for breakfast.

Fab Legend Of The Week

Our Fab Legend Of The Week Award was awarded to Bobbie for always being polite and friendly and always helping others.

Theme Of The Week

This week we had Pirate Week suggested by Sophie. Children enjoyed the pirate colouring in pictures we had on offer. The children also enjoyed making pirate hats to take home.

News & Info

Jenna, our assistant, will be starting maternity leave this month. Jenna's last day will be Friday 12th May. We wish Jenna all the best with the upcoming arrival of her little one. Jenna will be back later in the year. We are happy to announce that Jorgia will be taking over Jenna's position while she is away. Jorgia will be doing before and after school care; please introduce yourself to Jorgia to help her settle into this new role.
