

Volunteering a little of your time at our School

There are many volunteer jobs that parents and friends can do at our school. As well as being satisfying for you to be more a part of the school community, it is also a proud moment for your children/grandchildren when they see you helping out. **Parents & Friends Group**, who organise and run events, are always looking for more members, **however there are other separate and very important areas which you can assist with.**

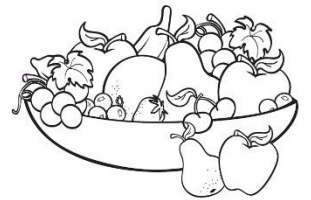

Head Lice Checks Held every 2nd Monday of each term straight after assembly. This program is run and organised by a group of volunteers. The more helpers there are, the quicker it is completed. We have a great bunch of volunteers who are willing to train you up, so you know what to look for. If you're a bit squeamish, it is a fact lice don't have knees, so they can't jump! Morning tea is provided.

Breakfast Club Is every Wednesday and Friday morning from 8:15am to 9am. You can make toast and a drink for the students who missed breakfast at home that morning. We provide this service as we know it is important that every student needs a morning meal, so they are ready to take in a day of fun and learning.

Newsletter Duty If you would like to get to know the school layout better, classrooms, and teachers - this is a great way to do that. You may even spot your own child in class! Duty is handing out newsletters every Thursday from 2:30pm - approximately twice a term. When finished, you can relax and wait for the bell at the end of school.

Fresh Fruit Friday Every Friday from approximately 12 noon, some staff and volunteers help cut up fresh fruit, which is then delivered to classrooms, for all students to eat.

Sickbay Duty Each Friday at 3.30pm a large bag of washing, including bed linen and face washers, need to be taken home and washed, folded and returned on the Monday. The linen is fairly clean, so don't be put off by it being from the sickbay.

Volunteers are rostered on about twice a term.

We are a large school with only a small number of volunteer helpers. If you are interested in any of these activities please speak with the office staff, or talk to a Parents and Friends Group member.

It is also important to please let us know if you change your mind, or you can no longer help out due to a change in circumstances – just so we can alter rosters, and fill empty positions.

Many hands make light work, so give volunteering a go at WHPS! We hope to see some new faces in and around the school soon! Thankyou!
